

## Show this QR code to the RNI counter in the Netherlands

Thank you for filling out the RNI web form.  
Your information is stored in the QR code you see to the right.

**Please note** that you are not yet enrolled in the RNI.

To enroll in Non-residents Records Database (RNI) and receive your Citizen Service Number (BSN), ensure you follow these steps:

1. If you do not have an appointment yet at an RNI municipality, make an appointment at one of the 19 RNI municipalities. You can find the locations of the 19 RNI municipalities at [www.netherlandsworldwide.nl/non-residents-records-database/contacting-rni-desk](https://www.netherlandsworldwide.nl/non-residents-records-database/contacting-rni-desk).
2. Go to the RNI municipality where you have an appointment and bring your valid identification.
3. Show the QR code on this form to the employee at the RNI municipality. You can print it or show it on the screen of your phone.

This QR code contains the information you have entered and verified via [rni-webform.rvig.nl](https://webform.rvig.nl). The data in the QR code is secure. Only the employee of the RNI municipality can see it and uses it only for the registration in the RNI.
